Escape Into Hydrospace®

escapade

Escapade's beauty and sleek modern design has attracted new customers to above ground pools. Plus, oval pool homeowners gain more yardspace with a buttress-free side design.

Quality

Zodiac American Pools, Inc. operates with a philosophy focused on overall quality, creating products that combine cutting edge technology with consumer-friendly features. Our vision is to be recognized as the world leader in our industry. Our mission is for each Zodiac American Pools employee to deliver his or her personal best performance to achieve optimum customer satisfaction. After all, customer service is our primary concern, because the quality design and construction of Muskin brand products are meant to enhance the quality of life for our loyal customers.

Wall

Our DURA-SHIELD[®] hot-dipped, galvanized steel "Desert Palms" wall is vertically corrugated for maximum strength. Escapade is available in 52" depth.

Frame

The frame is exclusively designed using POSI-LOCK[®] technology, interlocking the frame members for maximum strength.

Top Ledge

- The 6-1/2" sage green resin top ledge incorporates a mounting track on the inside for optional accessories.
- Injection-molded resin ledge clamps lock each top ledge and upright into one sturdy, rigid frame unit. These specially designed clamps will never rust and have no sharp edges.
- Besides durability, two additional benefits of resin include remaining cool to the touch, even in hot temperatures, and maintaining long-term color consistency

Uprights

- 5-1/2" sage "Oasis" Hot Dipped Galvanized steel uprights.
- Pre-painted material is used to add an appealing textured finish.

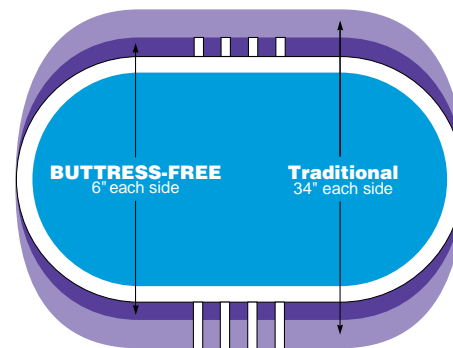

Liner (optional)

Muskin uses only premium grade liners with a 15-year limited warranty. Ask your dealer for liner details*

Our vinyl liners are custom formulated to include ultra-violet (UV) stabilizers to resist deterioration from the sun, a fungicide additive to inhibit algae growth, and plasticizers to prevent cracking in cold weather.

Braceless Oval

Escapade oval pools showcase a patented buttress-free side design. This saves homeowners yard space and offers more pool size options.

- Surface Area Requirements New Design vs. Traditional Above ground Pools

- Over 4.5 ft. of yard space gained with the Buttress-Free Side Design

Warranty

The Escapade is backed by a comprehensive warranty:

- Three years (3) of "no charge" replacement for any factory defective part*.
- Twenty-two (22) years of additional, limited, pro-rated warranty.

*water, chemicals and labor not included.

WARNING Diving is not allowed in an aboveground pool.

Renowned worldwide for the quality and reliability of its products in the aeronautical and marine sectors, Zodiac has now brought its expertise to swimming pools, to bring you a full range of pools, automatic pool cleaners and water treatment systems.

Backed by Muskin technology, expertise and experience, Zodiac brings you the reassurance of top quality equipment in terms of both design and performance. A real guarantee of efficiency and peace of mind!

ZODIAC, MASTERING THE ELEMENTS.
